

Alinea®

:The Lamp

Soft and Flattering

Perfect for both kitchens and bathrooms. Alinea® radiates a soft warm light especially flattering to skin tones (2800 degree Kelvin). The unique design of this lamp permits continuous mounting without dark spots or scalloping. The Alinea® lamp has a premium filament support system not found in other brands ensuring an average life rating of 2,000 hrs. The Alinea® lamp is quality manufactured for AAMSCO in France and is totally interchangeable with Philinea® and Linestra® tubes.
