MIRROR-LUX[®]

LUSTRE

Elegant and exciting. Modern, yet classic with an aesthetic sensibility that defines your space as uniquely yours. The Mirror-Lux[®] Lustre turns your wall into art with an astonishing sensation of weightless radiance, illuminating while reflecting the beauty of your interior design.

These planes of light accentuate the texture and color of your walls, frame the contrast of objects with their reflection and connect the elements of any room with the visual rhythm of a bold, horizontal composition. The Mirror-Lux[®] Lustre will transform your living space into a work of art.

MIRROR-LUX[®]

ONYX

The exciting, classic modern design of the Mirror-Lux[®] Onyx will turn your wall into luminous art. Indirect lighting from the Onyx creates an astonishing sensation of weightless radiance, while the perfection of polished black glass commands the attention of anyone present.

These planes of light accentuate the texture and color of your walls, frame the contrast of objects with their reflection and connect the elements of any room with the visual rhythm of a bold, horizontal composition. The Mirror-Lux[®] Onyx will transform your living space into a work of art.
