

Alinea®

360 Swivel Fixture

The intelligent alternative sourceSM

The new Alinea® 360 Swivel Series uses high efficiency T-5 lamps. Sleek, streamlined and highly energy efficient. Kelvin temps available from 2700k - 6500k. The fixture is offered in a silver matte aluminum finish in two sizes. Available with an electronic high power factor ballast.

The swivel window lets you aim the light to increase or decrease the direction of the beam pattern.
