ALINEA®

ALINEA® LUMINAIRE

The Beautiful Light!

Long used in the best European custom designs, Alinea® is an Art Deco concept brought to perfection by American engineering and proudly made in the USA. UL listed for damp locations.

Soft and Flattering

Alinea® radiates a soft warm light. By enhancing the effect of pink, brown and yellow tones, Alinea® makes furnishings seem soft and cozy. Especially flattering to warm fleshtones, Alinea® seems to make everything in a room more radiant and beautiful.

Unique End-to-End Mounting

For end-to-end mounting, only Alinea® offers a complete system.

Futuristic in design, Alinea® is perfect for accent lighting in commercial and residential buildings. Prefabricated end knockouts eliminate the need for drilling holes, saving extra contractor charges.

End knockouts mean no mess and no jagged edges that can cut or strip wires ... just continuous ribbons of warm light.

Luminaires Available in 7 Decorator Finishes

- White Powder Coat
- Polished Nickel
- Black Powder Coat
- Satin Nickel
- Satin Brushed Silver
- Satin Chrome
- Polished Chrome

Consult factory for custom finishes.

ALINEA® LED

Lamps Snap In, Snap Out

Alinea® LED lamps directly replace incandescent versions without modification, which facilitates end-to-end mounting and easy replacement.

Working off standard 120v line voltage, Alinea® LED needs no transformer or ballast (240- & 277-volt available, consult factory).

Alinea® LED is available in standard color temperatures of 2400K*, CRI 90 with an estimated average life of 25,000 hours, versus the 1,000 hour incandescent lamp it replaces.

*3500K available; consult factory

Alinea® Opalescent Light Source

Can be used with incandescent lamps or NEW LED. Please note that, due to the new Energy Laws in the U.S., the incandescent lamp has been discontinued. That's why AAMSCO has developed and patented an LED that is a direct replacement for the original incandescent lamp.

THREE LENGTHS TO CHOOSE FROM ...

The Alinea® Luminaire and lamp comes in three lengths; 30cm (11.8 inches), 50cm (19.88 inches) and 100cm (39.37 inches). Alinea® creates a warm, comforting environment. The most elegant homes deserve Alinea.

CONTINUOUS RUN LIGHTING MADE EASY

Create a continuous line of light by mounting Alinea®s end-to-end. Series wiring is not recommended.

NEW LED LAMP
Operates on 120V
Needs no transformer or ballast
25,000 hour life • 3 year warranty

Modular design makes lamp replacement fast, safe and easy. Esthetically pleasing, the channel housing is contoured to surround the lamp.
