## INSTALLATION INSTRUCTIONS CORNCOB LED

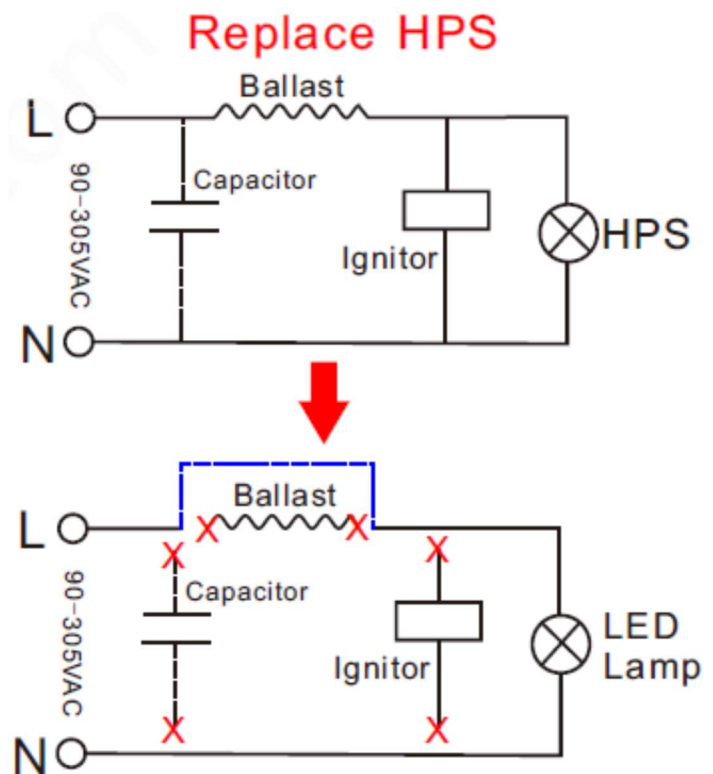

**As an Incandescent replacement, simply install directly into existing socket.**

**As an HID or CFL replacement:**

**STEP 1:** Remove old ballast or disconnect from existing lamp holder. Also disconnect any other components such as ignitors, starters, capacitors.

**STEP 2:** Reconnect directly to the existing lamp holder. Install new LED replacement lamp.

Make sure socket is correctly grounded.

\*In enclosed fixtures, ensure the lamp has enough space for heat dissipation. This will ensure lumen maintenance and extend its working life. When products are used in outdoor fixtures, ensure the space is waterproof and well ventilated.

\*Not for use on a dimmer or remote controls
