LIMITED PRO-RATED WARRANTY

The limited warranty set forth below is given by AAMSCO LIGHTING INC with respect to the AAMSCO CORNCOB LED bulb (the "Product").

Your product, when shipped to you in new condition in its original packaging, is warranted against defects in materials or workmanship for a period of seven (7) years from the date of original purchase on a pro-rata basis, with the exception of the CFL TYPE CORNCOB LEDs, which are warranted for a period of two (2) years from the date of original purchase.

Product must be returned to AAMSCO for inspection. It is AAMSCO's sole judgment to determine defect in parts or Product. Subject to these terms in the event of a defect in materials or workmanship appearing during the first 60 months, Aamsco will repair, or at our discretion, replace the product covered under this warranty.

You are responsible for all labor, shipping, delivery, installation, and handling costs. AAMSCO does not pay incoming freight on warranty claims. Replacement shipping costs will be incurred by Aamsco within the lower 48 US States. Customers outside of the US, Hawaii & Alaska will be responsible for the cost of shipping to and from Aamsco. This limited warranty covers all defects encountered in normal use of the product.

The product is covered by our **Pro-Rated Limited Warranty** for defects in materials and workmanship from the 61st month through the 84th month. If after 60 months, a defect in materials or workmanship appears in the product, Aamsco will provide you with a credit towards the purchase of a new product. The amount of the credit provided is a percentage of the list price of the product based on the warranty year as listed in the table below:

Months into Warrantee	% discount off list price
61-70	40
71-76	25
77-84	10

Unless authorized in writing, all products must be returned to the factory for warranty determination at the owner's expense. Any replacement product will be warranted only for the unexpired portion of the original product's limited warranty period. If an identical model is no longer available due to a change in design, Aamsco will replace the product with one having at least the same capacity. In these instances, you will have the option of paying the difference between what you paid for the original model and the new model with the design change, or receiving a refund of the portion of the purchase price allocable, on a pro-rata basis, to the unexpired portion of the warranty period.

This limited warranty does not cover loss of or damage to, or failure of, the Product due to abuse, negligence, mishandling, alteration, accident, electrical current fluctuations, or disassembly or modification of any part of the Product, or loss or damage to the Product due to cosmetic damage, or acts of God. Failure of an LED light bulb is defined as more than 20% of its total LED chip count. Also, the Illuminating Engineering Society's (IES) current standard for calculating the life of an LED is the point at which the LED reaches 30 percent lumen depreciation. Hence, Aamsco's Corncob LEDs are not deemed defective if LED reaches these criteria. At this point, they are considered having reached their normal life expectancy.

This warranty is null and void if the Product is not installed within the manufacturer's guidelines of voltage and current (excessive high voltage or heat will have the potential to burn out the LED), or due to the failure to follow proper installation, operating, maintenance, or environmental instructions or due to loss of or damage to the Product in reinstallation of any Product, nor for the expense accumulated thereof. AAMSCO and its suppliers are not responsible under any circumstance for the removal of or reinstallation of any Product, nor for the expense accumulated thereof.

AAMSCO's REPAIR, REPLACEMENT, OR REFUND IS THE SOLE REMEDY AVAILABLE ARISING FROM THE FAILURE OF A PRODUCT. NO IMPLIED WARRANTY, INCLUDING IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, APPLIES TO THE PRODUCT AFTER THE APPLICABLE PERIOD OF THE EXPRESS LIMITED WARRANTY STATED ABOVE, AND NO OTHER EXPRESS WARRANTY OR GUARANTY, EXCEPT AS MENTIONED ABOVE, GIVEN BY ANY PERSON OR ENTITY WITH RESPECT TO THE PRODUCT SHALL BIND AAMSCO. WARRANTY IS VOID IF PRODUCT IS NOT USED FOR THE PURPOSE FOR WHICH THIS PRODUCT IS MANUFACTURED.

Returned items require AAMSCO's written return authorization number.
All returns must have a return claim number affixed to the return packaging.

Before returning the LED, please answer the following questions to the best of your knowledge:

When was the LED purchased? Invoice or PO#

When was the LED installed?

In what way was the LED used?

Open or enclosed fixture?

Indoor or Outdoor?

Operating voltage?

Did the LED burn out prematurely? If so, what was the duration of life?

Did the LED fail upon initial start up?

If possible, please email a photo of the LED in both lit and unlit images.
