

Rockchandie

The Rockchandie Chandelier is a large hoop shaped structure housing eight handwoven, copper, shades, over a brass cage and a large, woven, outer trim, with a copper pendant in the centre.

It is ideal as a feature piece in large spaces and comes in 35 inch and 47 inch diameters.

It can be produced in various finishes bringing a real wow factor and enhancing any stair void, entrance hall, or high ceiling room.
