## STANDARD SPECIFICATIONS

**Voltage:** 120V

**Lamping:** 40W max. medium screw base. Best when used with a Ferrowatt Antique Lamp.

**Mounting:** To be affixed to a standard 4" J box or smaller.

**UL Listing:** For dry locations. **Color:** Gunmetal

## IMPORTANT SAFETY INSTRUCTIONS

RECOMMEND INSTALLATION BY A LICENSED ELECTRICIAN.

To avoid the risk of fire, do not exceed the recommended wattage.

**WARNING:** All wires are connected. When unpacking, be careful not to pull wires as a bad connection may result. Do not connect electricity until your lamp is fully assembled. To reduce the risk of fire, electrical shock, or personal injury, always turn off lamp and allow it to cool prior to replacing light bulb. Do not touch bulb when fixture is turned on or look directly at the bulb. Keep flammable materials away.

## The Majestic Plus

The new Majestic Plus:  
A replica of early industrial  
pendants!

This drop cord fixture follows  
a simple industrial style with a  
cloth cord and turn-key  
on/off switch.

Based on vintage lights, the  
pendant has a modern,  
minimalist feel as well.

A Nostalgic Edison Bulb  
(sold separately) will give the  
finishing vintage touch!
